The Premises:

The flat is only reachable down an alley way and you would be forgiven for thinking this could be a grubby establishment. But once inside you realise a lot of effort has gone into it, and it is very friendly place.

The Lady:

Cristina is a lovely looking girl with some nice boobs. Id encourage everyone to check her on the website.

The Story:

From the moment she walked in she made me feel comfortable. we started off with a massage, then we went on to what can only be described as the best French without i have ever had. This was followed by sex, all i would say is ask her what her favourite position is you wont be disappointed
