The Premises:

Well described already by many others b4 me.

The Lady:

Absolutely sexy girl in her late 20s. Great bum and tits.

The Story:

Once i sorted her present we relaxed, got naked and moved to the bed and started to made out, between kisses and funny jokes, Gemma made out like a true girlfriend. I was now ready for something more serious, she went to give me a covered BJ and her sweet tongue started to be a source of heaven, so good always keeping eye contact. The sex was just great, having had Gemma in more than one positions, the best of which was doggie, she was keeping her butt-cheeks spread with her hands so i was able to pump her deep in her pussy where i shot my load just after quite a few good and deep strokes.
