The Premises:

Lovely and clean as always. The entry and exit is so discrete it's like you weren't there at all.

The Lady:

In a few words, petite, beautiful face and skin, curvy where a woman should be. Smells really, really nice. Impressed.

The Story:

I went in for just a wank and a cuddle, not the normal fare I suppose, but she was incredibly accommodating, friendly, and made me feel very comfortable. I actually found myself very much enjoying conversation with her, which is a rare occasion as I'm not a chatty fellow.

She touched, we chatted, I got harder, she lay next to me and brought me great pleasure with her hands - not much more to report, except for that she made me feel very, very good!

Thanks Sonia for making an otherwise stressful day much better!
