The Premises:

The whole apartment block was big, modern and very respectable. Inside the flat it was just the same ? clean, tidy and all amenities were provided for.

It is also less than five minutes walk from Edgware Underground station.

The Lady:

Pictures were accurate to the site. Crystal is in her early twenties, long dyed blonde hair, in great shape and a seemingly natural tan.

The Story:

All in all a very enjoyable experience. She seemed a little nervous at first, but after a bit of chatting and getting to know one another, she soon got into her stride and we had a great time.

I know it?s a clich?, but she is one intelligent woman and won?t be around forever, so, if you fancy getting to know a friendly, happy blonde, go see her quick!
