The Story:

Jane greeted me with a smile and at first I thought I was on to real winner here. Her English is limited but this really wasn't the problem - she just seemed very uncomfortable. She eventually relaxed enough to share a cuddle and even cracked a joke or two and we did get as far as oral sex, which was nice, but her passiveness rather took the wind out of my sails. Of course you take a bit of a chance with young EE girls and this time it didn't pay off - I just hope she figures out whether she really wants to carry on doing this soon.

To be fair not all of this was Jane's fault - just as she began to relax her next client turned up a good 20 minutes early and between knocking regularly on the door, loitered outside on the phone to the agency. Neither he nor they seemed able to figure out why Jane didn't answer despite her texting them.

Surprisingly we overran a little - despite or because of our friend outside - but overall I can't recommend her.
