### The Lady:

Beautiful, sexy and most importantly v attentive. Natural tits, probably c/d, light skin and smoooooooooooooooooth pussy.

### The Story:

I have seen Tammy a number of times and feel the need to let my secret out the bag.

My first ever appointment (with Tammy) was the PA experience, she came in specially for 90 minutes and looked the ?business?. Long, long red hair tied up in a bun, stockings business skirt and of course the white top hiding a wonderfully responsive pair of tits. She is always clean shaven, a personal fav, and greets you with a lot of French kissing which never stops. RO is always a pleasure and she squirts!!!

Soft and fluffy or hard and fast (she prefers a good banging!!) you can have whatever you want, just ask, she is definitely a ?Pleaser? Her OWO is sensational and you can tell she loves it, only shame is no CIM. Wanked off on her tits a couple of times but generally can?t hold back while shagging her doggy.

Intelligent and always happy, makes you feel like a million dollars. Film star treatment guys.
