The Lady:

There is a brief period of perfection when a girl turns into a woman, a flowering which normally only lasts 2 or 3 years. Laura is at that stage now. Last year she was a very attractive size 8 girl, now she is a size 10 woman with a body that is as close to perfection as I have found. Some things haven't changed. She still has that natural prettiness and angelic smile of a naughty sixth former. Laura has class without a hint of sluttiness, seems totally natural with only a small amount of the tiresome tattoo/piercing stuff.

The Story:

It's full on action with Laura as soon as you walk through the door. No spinning out the time with massage, chat etc. She gives the impression that she is as keen on the action as you are and can't wait to get you in her mouth. If I was 20 years younger I could believe she fancied me. An enthusiastic kisser, excellent OWO, very good energetic clinches. And that smile is always there, goading you to do your utmost.

Laura has excellent skills of time management too. She always ensures you are out on the dot so that you don't miss your next appointment.

One not to miss.
