The Premises:

On a corner with its own parking around the back. Reasonable entrance, on the street but fine.

Nice lounge with the girl waiting to greet you - friendly hello & kiss. Good to see what's on offer. Book available listing all specialities. Decent environment.

The Lady:

Tall 5'10", slim black girl with an excellent body. Curves in the right places, fully shaven pubes and great tits. Look and feel like a C cup. Facially Ok, no stunner but more than pretty enough. The worlds greatest arse.

The Story:

Chose Renae because she offers OWO, CIM & Swallow. Paid for the lot, only ?20 extra in the room - great value.

Renae doesn't hold back with the snogging and it was full on from the moment we got on the bed. Her hands wandered and stroked my cock several times. We snogged for about 5-7 minutes, before she kissed her way down my body to my dick - and boy was I ready to have my cock sucked by then.

She sucks cock well, going right down to the root, so I could feel my cock going down her throat and she stuck her tongue out to lick my balls while I throat fucked her.

After a bit of that, she pulled up to concentrate on the business end, using her tongue to lick around and up and down the shaft. She also moved around to offer me her arse and I stuck a finger in her and began to play with her asshole, upon which she stopped sucking, got me some lube and asked me to stick it in all the way.

So now I have a really hot black girl, deepthroating my cock, while I finger fuck her arse & pussy.

After a few moments of that, I shot everything I had into her mouth and she carried on sucking until it was all gone. then, with one lick of the lips, she swallowed the lot.

Just fantastic. Renae is fun, kisses well and although I don't like to fuck the girls, I really wanted to fuck Renae as her pussy felt great around my fingers. She does anal as well and having had a few fingers in, I would like to try my cock up there one day.

Great girl, good looking and willing to do it all.
