The Premises:

This Massage Parlour is Situated near the meadowhall shopping centre, got lost so phoned up for directions and made me go a totally different way, receptionist very unhelpful, poor parking outside with many on lookers when entering, building is very scruffy from the outside, and needs a total makeover from the outside! inside decor was nice and more welcoming.

The Lady:

Ruby is around 28ish and is small 5 foot, nice figure with a tattoo on her right shoulder and a had a gorgeous smile, so went for her.

The Story:

paid the entrance fee of £5 at the door to the unhelpful receptionist who looked like she was having a bad day but hey who doesn't, she led me in to the lounge area where there were 2 Thai girls and a new young English girl, the 2 Thai girls were mimmering in their own language and pointed me towards the new girl, anyways I said no and went for Ruby the Thai girl in the middle who looked the best and had a tattoo on the right shoulder, We went upstairs to the room and Ruby said it would cost £70 for 30 mins with owo which I opted for, paid the cash and off we went, my experience at this parlour then went from bad to worse, I got undressed and on the bed for a massage, Ruby started massaging me with one hand whilst talking away on the mobile on the other hand, she turned me over and gave me one of the poorest owo I've ever had as she rubbed her teeth against my shaft, I was gagging for her to stop which she eventually did, she didn't give me any choice for positions, got the Jonny on told me to come on top no eye contact what so ever, even whilst I was pumping away she had the cheek to pick her phone up and check the time????! CLOCK WATCHER! I was happy to end this visit very quickly and will definitely not be returning here, bamboo rooms is one to miss!!
