The Premises:

place is about 1 mile from Birmingham city centre Near Balsall Heath. Plenty of parking nearby and quite discreet. Upstairs flat, quite clean.

The Lady:

Once inside, was asked to wait in In lounge. Soon after 2 girls arrived and said hello and started getting changed into underwear while I was sitting there. One was english, about size 8, about 18 or 19 and the other girl was foreign girl, also about size 8, maybe 19 also. Once they had changed into all their underwear, I was called to go into other room where there was also another girl. They all stood in a row and I was asked to pick one. This was very difficult as were all really nice and then selected Mia.

Mia is size 8, tanned and has a beautiful body and very pretty face. Started off rubbing my cock while I played with her tits, and it wasn't long before the condom was on and she was sucking me off. After a few minutes, we then moved onto main event which was really good.

The Story:

i think this place has best selection of girls in Birmingham and are very pretty and also at very good value.
