The Premises:

Place was in a nice, safe area close to Marble Arch. Apartment was small, but clean and I think shared with other girls. Bathroom was ok.

The Lady:

Lady I met could pass on for girl on website, and is not bad looking, but not as pretty or slim as the girl on website.

The Story:

Adriana was not unfriendly, but was definitely not what I hoped for or what the website stated, or what the agency mentioned for that matter. French Kissing and OWO are not on the menu. Reverse oral and sex was not unpleasant, but not very exciting either. It seems the main problem is Adriana's attitude towards her work. Maybe not a clock watcher, but she wanted to get it over with quickly and I left after 50 minutes (having completed two rounds and a massage in between). All in all a disappointing experience.
