The Story:

Stunning, Czech girl. She says 19 - and who am I to deny it? Very beautiful, and very accommodating with it. Speaks great English - all the ingredients for a fabulous punt. Why she is charging ?150 per hour is beyond me - she could easily charge double. Only here for a couple more weeks. I rarely return, but I tried to visit Anastasia again - only she wasn't available. If she comes back to London, she will be charging double.
