### The Premises:

Smart new apartment in new area at the back of Paddington station. I understand that she was due to move to another place in the same estate.

### The Lady:

As per photos and all other reports - utterly stunning. A perfect girl. Ignore previous FRs criticizing her breast enhancements. She's a perfect 10 and easily the most attractive girl I've ever had the pleasure to make love to.

### The Story:

Jessica is wonderful but I imagine you need to be well groomed and pleasant - she strikes me as someone who won't tolerate idiots. Deep french (with eyes open and a sultry fuck me now look), 10 mins of DATY (perfect, perfect pussy, fully shaved and beautiful) which really got her going, sex in many positions, good OWO, a sort of half CIM/ spit over my cock but that's fine. Then some nice chat followed by me flicking my cock against her clit, Jessica getting fairly aroused again and then a great round two in mish. If I was on ?500k I'd be having overnights every week.
