The Premises:

Reported many times. Safe outside, OK inside for the price. When I left I was stumbling around in the dark in the hall - could not find the light switch and the flat door was shut - nearly set the fire alarm off !

The Lady:

Very attractive Czech lady - around 30 ? The site gives a fair impression except for the hair - I'm sure it was longer and darker on Thursday. Several FRs describe her as slim - I'd say voluptuous was nearer the mark, but very sexy all the same.

The Story:

Nina is very extrovert and seems to enjoy herself and be determined to give you a good time. I had the House Special, which starts with a shower together in a one-person cubicle. Its a really good way to start proceedings and I don't know why other parlours don't copy. There is no OWO here but RO was happily received at no more cost and we used up most of the half hour before Nina finished me off with some energetic Asian - my favourite. I just wish Debbies had a branch in North London - or maybe not - I'd be broke.
