### The Premises:

Very Shabby place on a busy main road. It was reminiscent of Ross dating this hot untidy girl in Friends. Dont like it at all and ruined my experience. She needs to hire a cleaner!!

### The Lady:

Photos are airbrushed. She is not 25 (or does not look so anyways). Also she's not 36D (i'm usually good with judging). She had some horrible makeup on. If she presented herself better i probably might have not given her a bad review but she did not.

### The Story:

The action was good but everything apart from that ruined the expirience. First - she doesnt look anything as nice as her pictures. Second - She's not 36D Third - is that called a makeup Fourth - Get a cleaner to clean your place Fifth - atleast provide a clean towel if you want us to shower Sixth - Not worth 200quid
