The Lady:

Was running a little late to be somewhere, so was not sure I would have time, as soon as I saw Peaches I was staying. Fantastic 8/10 body, lovely smooth skin, beautiful proportions that were natural

The Story:

Have visited here before and was less than satisfied (wanted ?120 for cum twice) and was convinced I would not return. Peaches was more of a turn on as to how sexy she was, this left me ready to cum straight away. Again cum twice appeared as if I would have to pay to go again, did not check this though. I really did get off on how sexy she was, but as soon as I had come, she was off me and cleaning up. She was not curt or rude, but it did seem a little strange.

When I had arrived the maid had said they had been a girl short on Sat and Sun. Peaches had said she had been working 5 days this week, so this may account for the more functionary service than I would have hoped.

I think she may have been a little over worked. I would love to visit her again, when she is a little less over worked, trust me she is sex on legs.
