The Story:

The FRs mention she is good at BBBjs so here we go. Soon sorted out and off with the kit and she soon has her hands gettibg me hard and her nouth ensuring thats how I stay. She is very good with hands and mouth at the same time. Takes some holding back for shagging. Slipped behind her nad started with doggy and then onto her back for more fun and a good sesh like that had me finishing deep inside her.

Good value for London.
