### The Premises:

As previously reported clean and safe and there had been some improvements in decor since my last visit. Also now display a price list on the wall, look for it its small and didn't see it until after the event

### The Lady:

WOW is the best word possible to describe this lady nice hight, long brown haies super breasts and a body to die for.

### The Story:

Enjoyed massage and my massage to her, allowed and liked cuddles and carresses which was right up my street, on with the cover and into an excellent blow job then the real thing with her on top and me grapping and really nice handfull then doggie. Only slight problem if I am to nit pick and that was I was left for longer than was neccessary between handing over the pennies and Chloe returning to get down to business but overall excellent punt. If you read this then thandk Chloe I hope to see you again soon.
