The Premises:

Fantastic flat, spread over 2 floors of a Victorian conversion. Good area, everything you want on hand including toiletries downstairs

The Lady:

7 girls, as advertised. Ashley, Rachel, Helena, Malina, Honey, Jade and Kelly. As stunning, very different but great fun.

The Story:

I have attended an number of parties over the last few years and they just get better and better. My first visit to the new premises and I have to say that in the previous place, they were ahead of their rivals, now they are out of sight. I want to live there.

The girls were as always spectacular and full of enthusiasm. Highlights were time in swing with Helena and Honey molesting Lady M, big style.

The ratios for both parties I stayed for, 1-3 and 4 -6 seemed as they promised. I cannot say exactly how many guys as the place is very large and it is impossible to count as people mill around. However, it felt right, there was never any queing or waiting and actually felt there were not too many people there.

I have been attending this party for a few years and all I can say is I am amazed that each time is better than last and standards have never slipped.

I would recommend anyone intrigued by parties to try here. ?120 for 2 hours with 7 girls, excellent value
