### The Premises:

Large, clean and anonymous hotel off High Street Ken.

### The Lady:

Just as on the website, but more smiley and less serious-looking. Great body, fabulous tits and long legs.

### The Story:

Wow. Alex put me at my ease straight away and we were laughing and joking together. After a couple of minutes the fun began, as we started kissing. I won't write an essay but trust me, this lady is fantastic in bed - eager, inventive and insatiable. She kisses passionately, gives an awesome blow job, loves sex and is a great shag. I came three times in an hour and left a very happy man.
