The Premises:

Discretion is situated in a light industrial area of the main A63 Hessle Road in Hull. Although during the days there are a lot of cars parked there are very few people around and after 6pm the area is deserted...so good news for those wanting privacy. The area felt safe

The Lady:

Bayblue is approx 5ft 5in, dark hair and quite a cutie. Nice body and lovely 34c boobs with highly suckable nipples. She is very friendly and warm, chatty and very, very horny

The Story:

This was my second session at Discretion, and though it looks a bit grotty from the outside the welcome is warm and friendly. Babyblue was one of three staff available on my visit. She is certainly a horny minx and knows how to give a man a real good time. After a brief, reasonably good massage it was soon obvious I was ready for action. Covered oral was good with plenty of sexy slurping going on. On to cowboy and then missionary with plenty of deep french kissing made for an excellent shag session with Babyblue, she knows how to moan and groan in ecstasy, and gave a couple of loud whimpers as she came, just a few seconds before I deposited my lot. Overall a good, horny, sex session. It left me with a smile for the rest of the day.
