The Premises:

The reports before are accurate. Problem only being that the Asian guys like to all have the same lady for an hour each and sometimes they are a little over relaxed!!!! LOUD & DISRUPTIVE.

The Lady:

Slim, short hair about 5'5" with very little up top. Not the most attractive piercing through her lip which was a first for me.

The Story:

Descriptions of the girl doesnt always follow through to the performance in her work. This young lady give me a lovely back massage with pleasant conversation and then OWO in a quite exquisite way. we went 69 and i tasted the sweetest for a long time time. Very well maintained and sweet to the tongue. I had to get a better look so lay her down and spent a good 10 mins on her, did she come???? go ask her!!!!!! LOL after a knock on the door I thought I had better get a move on so into doggy then mish the from the side then back to doggy to finish!!!!!! YAHOO good girl great fun but i think i got her told off for taking more than 30mins ha ha ha lucky old me. Morale of the story she aint ugly by any means but boy oh boy i will never judge a book by the cover after Aleesha!!!!!!
