### The Premises:

Newish apartment smart and clean

### The Lady:

a real good looking girl in pinkish lingerie

### The Story:

bright and cheerful and we chatted for a few mins.

Sorted out the bits and pieces abd offered a shower.

Now I was ready for action.

We started in good form and she is very good with hands.

Maqy be I pout her off some how but we did not really hit things off.

Still her oral was nice and on with the overcoat for more fun.

Shagging was good and hit the right tempo.

May be an off day for me as she appears to be very nice.
