The Lady:

Could there be a more beautiful escort in town. Beatiful slim, toned and tanned body. Lovely firm breasts and such a sweet face and a lovely smile

The Story:

Lovely girl. A body whcih just demanded being explored and fondled. Was happy for any exploratory work on breasts and pussy. The frst 15 minutes was just fantastic. Following a spot of 69, the condom went on and I warned her that I usually came quite quickly first time. Then....the shock one cum only. Devastated. The last 40 minutes of the allotted time went slowly with only limited intimacy. If you don't mind the one time only rule, then go for it as Anastasia is absolutely beautiful and a lovely girl. You'll have to be quick as she goes back home very soon.
