The Lady:

Heather is georgeous Tall (5.10?) slim, small pert boobs sexy nipples, small tight bum, classy. This lady is lovely-so very pretty In her 20s

The Story:

Exellent massage (perhaps a little too long on my back) Spent time massaging legs and feet also front. Sucking and kissing my nipples licking neck---al very erotic. Oral ith--sadly no kissing. But a wonderful time. Sadly I could not manage to raise enough for intercourse (defo not Heather's fault) but in spite of her efforts the passion killer condom did its job and I settled for more oral and brilliant hand relief. My friends visit this lady for one friendly, classy woman. I think that she is changing her day to saturday
