The Story:

Oh dear!! she was really chatty and a fantastic personallity in the waiting room so I chose her for this reason, in the room, she just rabbitted on about her Albanian boyfriend and how he cheated with a lapdancer and how she got bladdered on 2 bottles of jack daniels the night before!!!!!! She played with my cock whilst moaning on and had the coldest hand in history! she then tried to put the rubber boot on and this was useless! she tried another and still she couldnt put it on (asked if she got yhem cheap) she then left the room to borrow 1 ! she came back and threw it to me and told me to put it on, i did this and she lubed it more and asked how i liked it, i said for her to choose, she got on a fours and asked me to slid in, i did this and shot after thinking of Luna (a previous punt here) and then she pushed me off and cleaned herself, and put her clothes on and sat on the sofa!!!! a total waste of 55 quid! no oral at all and if she is like that with her boyfriend its no wonder he went elsewhere, cos I would!!

I will return to this place cos it is in my opinion the best in Sheffield, but not to see her ever again
