The Premises:

Semi-detached house in quite cul de sac. Probably her home. Massage couch set up in front room.

The Lady:

Petite 5 ft 3 inches I would guess. Curvey figure. Pleasant and agreeable. Hard to guess her age; from her figure I would have said early 30's and her breasts early 20's but her face had a slightly more mature cast to it. A nice lady.

The Story:

Michelle offers massage with a "happy ending". Not sure if she is a trainede masseusse. The massage was OK as a massage and rather good in a teasing sort of way and certainly got my blood pressure raised in the best possible way. And the happy ending was all that you might expect.
