The Story:

Greeted me dressing the requested stockings and heels. She looked stunning and has a great natural body- too many girls from the east have the pornstar implants these days. After sorting the business out, she offered me a drink and I grabbed a beer whils she prepared the bath.... had a lovely bath with her and then got a BJ I will remember for a long time- her technique was exquisite. Flipped her over, jonny on, and must have lasted 5 minutes before I shot it! had a massage and chatted to her for a while (she has a good sense of humour) before round 2, which never finished.

All in all, a really friendly girl that took care of me and made me feel like a king. The way a good punt is, never rushed, relaxing and in the company of girl that was sexy and accomadating in all ways. Will definitely be back to see her.
