### The Story:

Great GFE. Plenty of DFK to start with, as well as throughout the whole session. Good BBBJ after which I returned the favour.

Started with cowgirl, followed by mish. She was talking dirty and asking me whether I would like to come on her tits or on her face, etc.... decided to have my first ever facial. Wonderful.

She was lovely throughout the whole encounter, only complaint was that she ended the session about 15 minutes before time.
