The Premises:

Clean, tidy, easy to park. I had trouble finding it as it is behind the shops rather than on the high street. A safe area. It is a commercial premises as opposed to the other Divine premises which are residential.

The Lady:

5'7, auburn hair, 34D, blue eyes. Very attractive. There are several pictures on her own website.

The Story:

I had wanted to book Tammy as an outcall as I had seen her website but wasn't sure what she was like in person and she doesn't do 30 min appts as an outcall so I decided to see her at Annabellas first. Was let in by Paige who was maiding and shown upstairs. Introduced to Natasha first who seemed a little quiet. Then I heard a voice call upstairs "which room is he in?". This turned out to be Elle. She is also very attractive but I had chatted with her and unfortunately she doesn't offer a full GFE-no french kissing. Paige came back and asked which girl I wanted to see. I asked if Tammy was working. She had only just come back from the shops so Paige introduced her as well. Luckily she was very attractive so I chose her. Unlike at other MK places, I wasn't offered a drink at this stage. Maybe they just forgot but it would be good to offer clients something.

Tammy is quite chatty and I asked if she was happy with OWO but she was only going to do it if I showered (even though I had already done so beforehand). So after the shower we started with a BJ which was very deep and onto a bit of snogging before sex in doggy. Tammy has quite a dominant personality but is submissive when it comes to sex. Then I gave her oral which made her orgasm and then a little chat before she asked me to join her in the shower again afterwards.

Time went quickly and the number of times I had sex was less than the number of times I showered so Tammy is more suited to longer appts. She is a very interesting person and loves sex with girls as well so an outcall with someone like Tiggy would be very interesting.
