The Premises:

First floor flat with maid, next to motorbike shop. The room was very clean and tidy, although a bit smoky in the corridor. Might be a problem for married men. Remember you can't use that smoky pub excuse anymore.

The Lady:

Louisa was in her thirties, slim, fit and bleached blonde, with a nice pair of enhanced boobs. Pleasant and playful personality. Looked a bit like the BBC News presenter Joanna Gosling.

The Story:

When I called, the maid said there were two girls working, none of which appear on their website. On arrival there was just one girl there, but I wasn't going to be picky as I was horny as hell that night.

Started off with a light massage. Followed by a really good covered blow job. No kissing was offered, but that might have been part of the VIP session. I just went for the regular suck n fuck. Managed 3 positions, cowgirl, doggy and miss, before blowing my load.

I would recommend Louisa to other punters, but would not visit again as I have a preference for girls that are a bit heavier and slightly younger. Then again I am pretty picky sometimes.
