The Premises:

The apartment was very clean and tidy, it is very close to covent garden. The street is quite busy so i felt quite safe going in and coming out.

The Lady:

She is a stunning looking lady with a very sexy body, her boobs and bum are perfect.

The Story:

As soon as she came in to the room she kissed me holding my head with both hands, which automatically relaxed me not to mention the hard on i got. From then on i came twice and tried as many positions as possible. She is easily aroused which made the experience even more out of this world.
