The Premises:

Untidy and could do with a clean up. Safe enough area though.

The Lady:

Sindy is tiny - very pretty - but the photos don't show how small and skinny she is. However, she has massive obviously fake tits which make her look a bit like a cartoon character.

The Story:

The whole encounter felt rushed, she seemed to think that as long as she spread her legs wide that I'd be happy to bang away and leave. Made little effort and this was neither a GFE or A PSE.

A horrible punt and I was glad to get out.
