The Premises:

A bit small, expect better for agency girls at this level.

The Lady:

This was the lady on the site but the photos must be years old. Early thirties now and carrying lots more weight.

The Story:

After my disappointment with Sindy from Maxes Agency the day before - I should really not have made this booking - but, I'd already picked Kelly so went through with it.

Big mistake. The girl is too heavy for my taste, and the photos misrepresented her.

Attitude was not great and her technique was even worse.
