The Story:

this was my second time with Lara and i have been desperate to be in her location for a visit since my 1st amazing visit.

Started with a nice gentle massage and tease then onto the main course! Kissing, Oral, Sex, you name it, this beautiful lady is keen to please. All i am going to say is (as the rest is for us two only) we both had an amazing time and its so nice to know she is enjoying it as much as you are. Next time will be the 1hr executive appointment.
