The Premises:

Nice clean place, very discreet, lots of on-street parking, felt very safe.

The Lady:

I'm pretty sure Honey was her name, I would say she is about 25, 5'9"ish, quite attractive, black hair, little bit chubby, but definitely NOT fat. Lovely BIG breasts (>DD's I would say) - Au nature!! Very friendly and warm, great conversation.

The Story:

OK back massage, flipped over and had plenty of lotion gently and slowly rubbed into the right areas ;-) On with covered mish until completion.

Thanks Honey
