### The Premises:

Clean and tidy ok part of town, easy to find off just off main road, free, safe parking, if you can find a space.

### The Lady:

Girl next door looks with curves, website says size 12, which appears about right to me.

### The Story:

Victoria had to cancell my first appointment, but as communion between us had been so good i made a second appointment, she more than made up for it when we did meet. She was dressed as requested in her blue basque and stockings, covered over by a short dress. Once inside we had a lovely french kiss, with the money taken care of and a drink in hand she lead me off to the bedroom. Her "O" levels are excellent, as i do love OWO..... Then I will keep everything else to myself, I'll just say she is not a clock watcher, even when i was drying myself from the shower she was was still on the bed dressed in a different nite dress than when i went to the shower. I could have stayed for another hour.....
