The Premises:

Well known building right on Queensway. The flat was clean and comfortable and the environment very safe.

The Lady:

Anya's pictures on the website are accurate with one minor exception - her face has been airbrushed, covering up acne scars and moles. She has a beautiful body with nice, long legs, a sexy beautiful ass, and a nice slim figure. She has largish boobs, but her breasts are not very firm.

All in all, definitely a very fuckable body.

The Story:

I was feeling horny on Sunday and looking around the usual websites, when I came across Anya on the AOL website. Redheads are my weakness and she offered my favorite service a-level, so I immediately called and made a booking.

When Anya opened the door, she looked more or less as in her pictures, except for some blemishes on her face. She has a really nice figure and a pleasant personality.

After sorting finances, I confirmed the services she offered and that a-level was on offer (ive gotten in the habit of doing so). She confirmed that all services were on offer.

Pretty soon after we got down to business, which started with some DFK - I have to say shes a nice kisser. She followed this with an owo, which was better than average. She has really good technique and could take a lot of me in her mouth. Seeing her redhead bobbing up and down my cock was a fantastic sight. We switched to 69 and I went down on her while she continued to give me an owo. I have to say that she has a really nice pussy and a-hole, both very clean and nice tasting.

On with the rubber and started sex in missionary, swithching to doggie style, where I had my finger all the way up her bum while pumping her pussy. Lubed her a-hole with spit and then switched

holes. She has a great ass and I have to say this was one of the best ass-fucks I've ever had. We started slow but then she was able to take a good pounding till I came.

A bit of rest and cuddling and then onto round 2. More owo to get me going and then some cowgirl, followed by me on top with her legs pinned back to her shoulders. Fantastic.

Anya provides excellent GFE, but can switch to PSE if u want. All in all one of the best WG punts ever. I would definitely go back and, if you can do with the average looks, would recommend her highly.
