### The Premises:

Central Luton - OK, easy parking.

### The Lady:

Very pretty Colombian girl -about 22. Tanned and amazingly pert breasts [all her own!]

### The Story:

Very good body to body massage, and excellent oral [with for this price, but you hardly notice when it's done well].

A bit of 69 followed - she gushes very well and has a nice big clitoris - which always augers well - she came quite quickly.

Main event was wonderful - really deep and her superb muscular control and gyrating movements were very memorable.

My slight criticism was not of Zara, just that the time was a bit short - the knock on the door was a bit early - and I like a relax and a cuddle at the end
