The Premises:

Her flat was absolutely ok.

The Lady:

As her website, just a bit of photoshop. A great girl without doubt.

The Story:

Had plenty of time to enjoy her, her BBBJ was great she has a very nice technique but what was really good about her was the sex, we got down to it and enjoyed it too much, plenty of moaning, kisses, able to take it deep. We climaxed almost together and it was really nice. The second round was just oral, unfortunately she didn't do CIM but everything else was great.
