### The Premises:

Clean, not impressive but clean that's all i ask.

### The Lady:

If what you are looking for is big tits well this girl is for you, she has a beautiful pair.

### The Story:

The best was not the tit-wank but the great deepthroat BBBJ that blew me away. Just to make it perfect she gave me a great rim and then took a nice good pounding in several position. She surely aims to please, and i could not be more happy about it.
