The Story:

A fantastic punt, she done a lapdance for my before sitting on the edge of the bed and fingering herself. She undressed me and dropped to her knees to give some great OWO which was deep. Then onto the bed where I gave her pussy a great lick which she seemed to enjoy and then my turn with her sucking me off again before sucking and licking my balls. Her tongue then ventured South and before long she gave me some wonderful rimming which was amazing. Time was rolling on and for some reason I didn't fancy a shag - I just wanted a porno ending which Debbie duly obliged. She knelt on the floor, held her hands behind her back whilst sucking me off and then when I was about to cum I whipped it out and shot all over her face and in her mouth.

Absolutely amazing, nothing was too much to ask. She is very, very friendly and I will most certainly be back for more ! 10/10.
