The Story:

i came to see ayako because of her pics and believe you wont be dissapointed, she is small but i like my women petite anyway.

she lead me into the bedroom by the hand dressed in what i requested (japanese school girl complete with pigtails and high stilletoes... wow) she got straight down to it undressing me and giving me a very nice japanese massage which got the old man up right away, im very much into oral so i asked her to kneel down and give me a blowjob which she was very good at and went quite deep. i then asked her if i could face f*** her to which she agreed, now im quite a big lad id say 7.5" which is about the size of her fore arm but with abit of fear in her eyes she let me pound away at her pretty mouth for the best part of 30mins and in lots of positions, my fav was her with her head off the edge of the bed, i could get my entire 7.5" down her throat which made me cum straight away im sure my cum didnt even touch the sides.

she got up, makeup running and eyes watering and thanked me and to my amazement started to dress me, wow what a girl, i will definatly be seeing her again.
