The Premises:

newish style apartment clean and tidy with easy parking and no problems.

The Lady:

goold looking blonde girl in her mid 20s

The Story:

Warmly welcomed and settle down with a drink.

Chatted and sorted and off to a shower.

Onto the bed and she was looking very nice in her undies and stockings.

Her hands and mouth did wonders and had me on the edge.

Ger oral technique is good and even better in 69.

Shagged her every way I could think of, well doggy and mish !

In mish with my hands under her bum and pumping away happily was heaven. After an hour I was well knackered and she is lovely.
