The Premises:

Good place, pretty clean, the entrance is a bit public and difficult to fit past the door into the lobby. Bath towels were clean this time but the bed towel was always folded away for the next punter, nice!!

The Lady:

Mixed Italian and Eastern European, Very fit and muscular body slim with broad shoulders and b/c cup pert breasts. Lovely smooth olive skin, no signs of stretch marks and no piercings except ears. Freindly with good English and quite a character.

The Story:

I asked for and got 10 min before the appointment to have a good bath as I had to come straight from work. I had seen Franchesca a few days earlier and had come back to see her again. She will chat away and will give a very professional massage if wanted. She is not quick to make this a sexy affair and needs to be asked to do most things. Oral is covered, which I prefer for health reasons, this is OK but nothing special.

Sex she takes very seriously and gives a really full on effort, this coupled with her tight pussy and georgeous body makes lasting the distance quite an effort for me.
