The Lady:

Charlotte, I guess, is in her late thirties. A blue eyed blonde, slim and busty. Just the stuff dreams are made of, well that and Albion staying in the premier!

The Story:

I had not seen Charlotte for quite some time, but she still welcomed me like an old friend (butI do hope the emphasis was on the friend part)With a broad smile, hug and kiss.

I was then offered a choice of drinks prior to moving into the bedroom and enjoying a body to body massage. It gradually became more and more intimate eventually reaching a glorious conclusion.

It was then time for a chat and shower before departing for home and a lie down.

Charlotte is a friendly, offers amusing conversation and a sensual experience. A feast for the eyes, no wonder I am putting on weight!
