The Premises:

Clean modern apartment in glasgow obviously decked out in IKEA from top to bottom, safe parking outside.

The Lady:

This 'sassy lass' looks better in the flesh. The photos dont do her justice. Its a shame she doesnt show her face...one word: stunning!!

Down to earth girl with really quirky sense of humour, puts you at ease straight away.

The Story:

Had the afternoon off work so decided to treat myself to some desert after lunch. Called CC and she was willing to see me at short notice (what a star!!). It's my third time meeting cc so knew what to expect. Still got the goosebumps on the way up to her flat though.

She really does know how to look after a man. After a 10 min chat catching up we headed to the bedroom. Dont want to go into too many details but her oral is out of this world, guys beleive me its a toe curling experience!! lol

Already looking forward to the next time and Im holding you to that promise cc!! hahahaa
