The Story:

Not the greatest of punts no kissing bbbj and little playing with the snatch. now to the good points. got into the bath and sucked her big tits (and i mean big_ then she lay down and said you can go down on me but i will cum. she put her legs over my shoulders and i slipped my tongue inside her she instantly went wild as my tongue rubbed over her bean. after around two mins she started trembling and came in my mouth and boy did it taste good. it went down hill from there and i had to settle for covered oral and she finished me off by hand. only a fair punt but god is she fit and does she taste good
