The Story:

This was a really good punt. Firstly she is 25 (not 20 as on the site) but in great shape with firm breasts and arse. Millie was extremely friendly and intelligent and is studying English which she speaks very well. Started with some great french kissing she then gave me wonderful oral without taking my whole length into her mouth. Then sex in 2 positions her on top and doggy. Would have been 3 postions but I got a little excited by the sight of her pert firm bottom if you know what I mean. Lovely girl
