### The Premises:

Agency's incall flat. Nicely maintained, well decorated and comfortable.

### The Lady:

18 years old, long blonde hair, lovely figure (for some peculiar reason she thinks she needs bigger boobs, but she is wrong...). Since I saw her, her photos have made it onto agency's website, and - even though they're good - they don't match the reality.

### The Story:

This was actually my second time seeing Katie. Wouldn't normally be tempted by so young a WG, but Lucille (the boss..!) had assured me first time round that Katie is more mature than her years. Absolutely true!!

Really good company in every important sense. A fun companion with lots to say, who is also red hot in the bedroom. Something of a cliché I know, but I could barely walk afterwards!
